

Help Needed

When I've taken sacred vows — confirmation, marriage, ordination or as part of a congregation committing to support the just-baptized or new teachers — I've felt genuine gratitude for words such as these in the ceremony: "May God, who gives you the will to make these promises, also give you the power to perform them." I'm relieved God doesn't leave me on my own to fulfill what is easier said than done.

Adults who guide youngsters can follow God's lead by committing to this kind of help. For example, my young son often declares, "I *promise!*" about a requested behavior. He means it, but when distractions arise or energy sags, when he's hungry or tired or frustrated, when the task feels overwhelming ... he needs help obeying or delivering on his promise. As a parent, I can say, "Let's do it together," or "How about setting the timer and doing the job in 10 minutes?" or "Afterward, we can play."

God doesn't leave us to rely on our own power. Likewise, adults can pledge inwardly to children: "May I, who have motivated you to promise this, also help you perform it."
