TBC MEMBERSHIP LIST AVAILABLE

The contents of the first three membership books, covering the years 1890 to mid-1951, have been transcribed and are in a book located in the library. Information in the membership books includes member names, some of the positions held, and notations about when and how individuals joined the church or left for various reasons. Please use the book only in the library so that it will remain available to all who wish to use it.

UKRAINE 2016

As most of you know, TBC has been partnering with e3 Partners and Ukrainian brothers and sisters in Christ in ministry work for many years. The Lord has used all involved to be His hands and feet in mighty ways. The ministry work has been fruitful because it was all done in the name of JESUS and with the purpose of sharing the gospel with the lost.

So, with so many fruitful trips in the past and still much to do in Ukraine, some of you may be wondering what is on the agenda for 2016. Well, after much prayer, the decision has been made to stay state-side this year for a couple of reasons. The first reason is our e3 Partner's Ukraine church planter retired December 2015. The second reason is I believe the Lord is wanting us to stay state-side to focus on TBC as well as our community. With that said, it doesn't mean we want to stop partnering with our Ukrainian brothers and sisters in Christ or with e3 Partners. We will continue to support financially and prayerfully the Ukrainian missionaries while we push the pulse button on Ukraine 2016.

All the trips to Ukraine have been a blessing. Your years of prayers, financial support, love and encouragement for sending teams across the globe, as well as for the Ukrainian people, have been indescribable. For that I say thank you and bless you. Please continue to pray for the people in Ukraine and for the country as a whole.

As we focus on TBC and our community this year, let's also look ahead to 2017. Let's pray how the Lord would like to continue to use TBC locally, nationally, and internationally. Let's also look ahead and see where the Lord might lead in regard to ministry work in Ukraine.

If you have any questions about the ministry work in Ukraine or regarding the missionaries, please feel free to contact me.

Blessings,

Kim
