

Zoom Out

On a computer screen, images can be magnified to show tiny details and make text easier to read. In the process, however, the “big picture” is lost. After checking various aspects of a project closely, it’s a good idea to “zoom out” again to be sure everything still looks as it should.

Likewise, it’s easy to fixate on the tiny details of our lives (especially flaws in ourselves and others). We tend to enlarge our problems far beyond their actual size and totally miss problems taking a toll elsewhere. We may also forget the beautiful “big picture” of God’s care encompassing us. After tending to life’s details, it’s important to take a broader view to see whether our up-close perceptions hold true when we gaze on the work as a whole.

“Help us ‘zoom out,’ oh God,” prays Joshua DuBois in *The President’s Devotional* (HarperOne). “Widen our perspective and extend our horizon, so that we can more fully know your purpose this day, and every day.”

You place your hand on His Bible, when you swear to tell the Truth
His name is on our greatest Monuments, and all our money too,
And when we Pledge allegiance, there's no doubt where we stand,
There is no separation, we're one Nation under Him.

JOHN 10:10*

In God We Still Trust

Here in America

He's the one we turn to every time

The goin' gets rough

He is the source of all our Strength

The One who watches over us

Here in America

In God We Still Trust

Now there are those among us, who want to push Him out,
And erase His name from everything, this country's all about,
From the Schoolhouse to the Courthouse, they're Silencing His Word,
Now it's time for all Believers, to make our Voices heard.

In God We Still Trust,

Here in America

He's the one we turn to every time

The goin' gets rough

He is the source of all our Strength

The One who watches over us

Here in America

In God We Still Trust

Here in America,

In God We Still Trust
